Every hospital needs a washing machine! The monastery caring for elderly monks has none! Let's donate a good one!

Buddhist Relief Mission has visited Bodhirukaramaya in Kurunegala several times. We have been impressed with Ven. Amilasiri's care and compassion for elderly monks. There are about sixteen elders staying there, but all the robes and all the bedding have to be laundered by hand. That is a huge job.

This washing machine, available from Abans, is sturdy enough to withstand heavy use by many different people. We would like to deliver it to the monastery at the end of June 2010.

The cost, without delivery and installation, is 70,400 rupees (US\$620).

If you would like to contribute to this project, please send your donations as soon as possible.
