

Reconstruction & Expansion of the Monastery in Assam

Ven. Ariyawantha was recently in Kolkata, staying at Bodhisukha Monastery. While he was there, Rajiv was able to offer him arahat relics from Burma and a Burmese image which we had given him when he visited Sri Lanka in November.

Meanwhile, the work on the monastery in Guwahati, which had been disrupted by the weather, floods, and landslides, is progressing smoothly.

Due to inflation, the cost of everything is much more than expected, but Sayadaw is determined to complete the project as soon as possible.

These two antique Burmese images were given to us many years ago by Bruce. Now they are again together in Ariyawantha Sayadaw's monastery.
