

An Update on BRM Relief during Sri Lanka's Crisis

The response to our appeal has been gratifying. Some donors have suggested that, in this time of crisis, we include families and charitable institutions of all ethnic groups, and we heartily agree! With the reimposition of the State of Emergency, a breakdown of infrastructure, food and fuel shortages, and galloping inflation, the situation has become even more dire. During the first week of the project, we were able to make deliveries of food and medicine to 4 monasteries, 3 nunneries, a school for disabled children, and about 50 food-insecure families. As soon as travel is again possible, we will deliver to another nunnery, 52 families in a village north of Kandy, 20 families in another village, and 10 orphanages. By networking and cooperating with like-hearted friends, faith groups, and local organizations, we are, every day, identifying other needy institutions and families. Unfortunately, in just this one week, the cost of one parcel has gone up more than 10% and is likely to increase even more in the coming days. The crisis is certain to continue and worsen, but we are committed to continue this relief work as long as we can. Sadhu! Sadhu! Sadhu!!! to all of our donors.
