

Flood Relief for Rohingya Refugees in Camps in Bangladesh

Warm greetings to you, and my heartfelt thanks. With your generous support and kindness, we were able to distribute food in a very organised and meaningful way among the Rohingya families affected by the disaster. Your help has brought not only food, but also hope to people who are going through extremely difficult times.

All the families who received food today expressed their deepest gratitude to the Buddhist Relief Mission. Many of them had been suffering for a long time, and receiving this food brought smiles to their faces and relief to their hearts. They are sincerely praying for you and will always remember your kindness and compassion.

Your generosity and compassion give us strength and motivation to keep helping those in need.

Once again, thank you so much. May God bless you with good health, happiness, and endless kindness. Your support is truly a great blessing for us.
