There's a Change in the Air! Let's Celebrate with Generosity!

The midterm elections in the United States resulted in a "blue tsunami" in which the Democratic Party gained control of both houses of Congress. The Ameirican voters clearly rejected President Trump's agenda of war, genocide, hatred, intolerance, tariffs, and the reduction of relief aid to the needy throughout the world. For all of us who are actively engaged in working for world peace, an end to endless war, the cessation of the Israeli genocide of the Palestinians and Buddhist genocide of the Rohingya, and assistance to all who are suffering, this is a cause for celebration and great joy. The greatest expression of joy is sharing with others–heartfelt generosity. Buddhist Relief Mission invites all of our readers and supporters to join us in this celebration!

In the coming months, we would like to increase our support to those in need, including the Rohingya refugees in Bangladesh and in Sri Lanka, Sangha members here and abroad, the Kandy Cancer Home, needy families, and poor schools and other institutions. Your donations will bring joy to many needy people and will, assuredly, save lives, as well.

The Three Factors of Giving

Before giving, one is happy in being able to help another. 🙏

While giving, one's mind is gladdened by the expression of love and compassion. 🙏

After giving, one rejoices in the merit of the gift. 🙏
