

Providing Lunch for OPD Cancer Patients in Kandy

Kandy National Hospital treats many cancer patients every day. Patients from out of town often leave home without breakfast. Furthermore, many cannot afford the time or money to buy lunch while being treated. During chemotherapy treatment, it is important for patients to maintain a healthy diet. Treatment on an empty stomach may actually increase nausea and other side effects. The Kandy Cancer Society is distributing nutritious lunch packets to these OPD patients. This is particularly critical during the current economic crisis in Sri Lanka with skyrocketing inflation. This program requires only 15,000 rupees (US\$42) per day, but even this amount is beyond the Society's budget.

Buddhist Relief Mission is supporting this program and invites you to join, perhaps in honor of a loved one or a special occasion. All donations, large and small, will be greatly appreciated and will be of great benefit to vulnerable cancer patients.

Thank you for your generosity.
