Junta military **continues** to bomb quake-devastated Sagaing, Shan

On March 28, 2025, a massive 7.7 earthquake occurred in Myanmar. The epicenter was in Sagaing, 22 km from Mandalay, the ancient royal capital. There are reports that as much as 80 per cent of that city was severely damaged. Currently the death toll has reached more than 1600, but it is impossible to be sure at this time, because many people are still buried beneath the rubble, and communication with rural areas is very limited. Two days later, an aftershock of 5.1 occurred north of Mandalay, but the damage from that tremor has not yet been reported. This took place, of course, in the midst of the civil war, which has ravaged the country for more than forty years. In spite of the suffering of the citizenry from the devastation from the earthquakes, the military government has not stopped its relentless bombing of villages and towns.

Assistance of all kinds—food, water, medicine, shelter, and more—is urgently needed. Buddhist Relief Mission has a secure route through the Sangha to provide relief directly to the most seriously affected communities without discrimination. Your donations will greatly relieve the suffering of many!

Sadhu! Sadhu!! Sadhu!!!

The Buddha said: “If beings knew, as I know, the results of sharing gifts, they would not enjoy their use without sharing them with others, nor would the taint of stinginess obsess the heart and stay there. Even if it were their last morsel of food, they would not enjoy it, without sharing it, if there were anyone to receive it.” —Itivuttaka 26
