

Relief Aid to Victims of the Massive Earthquake in Myanmar

The death toll from the magnitude 7.7 earthquake in Myanmar on March 28 has exceeded 3600. More than 5300 religious buildings were damaged, and many were completely destroyed. The most extensive damage took place in Mandalay, the ancient royal capital. There was destruction on every street, and one report estimates that 80% of the city was damaged.

The outpouring of compassion and love for the Myanmar (Burmese) people is tremendous. The response from the international community and religious institutions in Sri Lanka has been overwhelming. Buddhist Relief Mission has channeled the donations we have received—more than US\$10,000—through Sangha Karuna Association, organized by the Burmese monks and nuns studying in Sri Lanka. Their funds have been used to purchase medical supplies, to provide treatment for injured victims, to distribute safe drinking water and food and to repair or reconstruct damaged buildings, including monasteries, nunneries, mosques, and Hindu temples.

It is estimated that, throughout the country three and a half million people were affected by the earthquake. The needs remain great, and recovery will take a long time. Buddhist Relief Mission intends to continue supporting the relief efforts. We extend the greatest gratitude to our many donors.

Sadhu! Sadhu!! Sadhu!!!

In spite of the immense suffering caused by the earthquake, the military government has shown no mercy, and has continued its relentless oppression of villagers and ethnic minorities. Just since the earthquake, the government has carried out nine bombing attacks in Mandalay District alone.

Your donations will allow Buddhist Relief Mission to continue providing much-needed assistance to victims of the earthquake and for reconstruction and recovery.
