

Supporting the Sangha in this Difficult Time

In Sri Lanka, everyone is facing many shortages, including milk, rice, flour, paper, petrol, and cooking gas, as well as many kinds of medicine. Inflation is rampant, and the value of the rupee is falling further everyday. When people cannot afford sufficient food for their families, it is difficult for them to offer food to the Sangha, who are completely dependent on donations. This situation is very serious for the small temples in remote villages.

Buddhist Relief Mission would like to offer essential food and medicine to these monks, nuns, and novices who are in dire straits.

An Update on BRM Relief during Sri Lanka's Crisis

The response to our appeal has been gratifying. Some donors have suggested that, in this time of crisis, we include families and charitable institutions of all ethnic groups, and we heartily agree! With the reimposition of the State of Emergency, a breakdown of infrastructure, food and fuel shortages, and galloping inflation, the situation has become even more dire. During the first week of the project, we were able to make deliveries of food and medicine to 4 monasteries, 3 nunneries, a school for disabled children, and about 50 food-insecure families. As soon as travel is again possible, we will deliver to another nunnery, 52 families in a village north of Kandy, 20 families in another village, and 10 orphanages. By networking and cooperating with like-hearted friends, faith groups, and local organizations, we are, every day, identifying other needy institutions and families. Unfortunately, in just this one week, the cost of one parcel has gone up more than 10% and is likely to increase even more in the coming days. The crisis is certain to continue and worsen, but we are committed to continue this relief work as long as we can. Sadhu! Sadhu! Sadhu!! to all of our donors.

Veddas

The Veddas are the indigenous people of Sri Lanka. They are an impoverished and often neglected community. Through the Kandy Cancer Society we were able to contact the leader of the village near Mahiyangana. Food will be delivered to 100 families there on June 16. Here is an excerpt from the letter we received:

Dear Buddhist Relief Mission,

We Sri Lankans have no words to thank you for your generosity in assisting the less fortunate people of this beautiful Island. May good health and cheer be with you. My sincere greetings to all those near and far who assist in this operation.

The Vedda chief suggests we come with the rations on Thursday, his 75th birthday. We are arranging to take a parcel of dry rations and 5 coconuts for 100 families. I have invited a few Doctors to travel on this day to examine some patients who need urgent medical treatment.

We must not stop at this. Let us collectively assist whenever and wherever we can and to practice the idea of "Caring and Sharing."

Tea Estate Workers

With the tea industry suffering a setback during the crisis, the Tamil workers on the estates are in dire straits. Our first distribution to 30 families in this group will be on Sunday, June 12.

Families of Prisoners

Through a Kandy policeman, we have been able to identify in the Kandy area about 30 families of whom the breadwinner is currently incarcerated. That policeman is arranging for dry rations to be delivered to each of those families.

Buddhist Relief Mission

A Joyous Distribution of Food to Needy Families

As the economic crisis in Sri Lanka worsens every day, Buddhist Relief Mission continues to distribute dry rations and vegetables to needy families. Due to the current shortage of petrol, it has become increasingly difficult to reach villages outside Kandy.

On August 31, Ashoka was able to deliver parcels to ten families in a village in Matale, north of Kandy. In his search for a vehicle and driver, Ashoka had approached a neighbor, who, at first, hesitated because he was afraid that he might not have enough petrol to go that far. As soon as he learned the reason for the trip, however, he immediately agreed to go without any charge, so that he could participate in the donation.

Some of the recipients are handicapped and have serious medical problems, so the food was life-saving. All of them were extremely grateful for the aid offered by so many people around the world.

Through donations from supporters, Buddhist Relief Mission will carry on this wonderful work.

Another Joyous Distribution of Food, September 2022

On September 4, Lily and her family carried parcels of dry rations for fifty needy families in Puttelawa. All of the families in that area are connected to a tea estate, but operations are currently suspended, and there is no work.

The village is in a remote area about twenty kilometers from Kandy. The road can be treacherous, but, fortunately, on that day only, there was no rain.

The priest at the temple has planted many fruit trees to provide fresh food for the villagers. Lily was happy to offer him a coconut palm sapling from our garden.

As soon conditions permit, we will distribute rations to an additional thirty families.

This is only one example of the urgent need for assistance to many needy families throughout Sri Lanka. With the support from our donors, this program will continue as long as possible.

Another Distribution on the Tea Estate

In mid-September, Lily and her family carried many food parcels to distribute to the remaining families on the tea estate in Puttelawa. This was arranged by the priest of the Hindu Temple in the village. With this donation, we began packing the dry rations in reusable bags, rather than thin plastic bags. These were purchased from a supermarket, but the manager of the local store was so impressed with the idea of protecting the environment in this way that he has adopted the practice himself with sturdy, generic, non-branded bags.

In the midst of the ever-worsening crisis in Sri Lanka, these distributions of much needed food to destitute families are made possible by the many generous donations from our supporters. We share merit with all of them.

May all beings be happy!

BRM Continues Relief Work During the Crisis in Sri Lanka

Polonnaruwa

On August 31, Mohan Samarakoon, the Director of the Kandy Cancer Home (where we offer High Tea on the 15th of every month), went with a team of doctors, nurses, and staff to Polonnaruwa to distribute food, medicine, and other supplies and to offer out-patient treatment. Although we did not accompany them on this overnight trip, we contributed funds from our generous donors to help make their trip a success. In Central Province, we operate mainly through a network of friends and local groups, but, in cooperation with the Cancer Society, an official non-profit organization, we are able to extend our relief projects island-wide.

This special wheelchair was ordered from Colombo and donated to this boy.

The economic crisis in Sri Lanka continues unabated. Shortages of food, medicine, and fuel have caused many businesses to close, and many people have lost their jobs. Since the beginning of the year about 3000 doctors have left the country. Relief funds are still greatly needed.

Ambepussa

On September 9, Lily went with Tissa, the driver who has worked with us for more than ten years, his son, and his daughter to a private orphanage, established many years ago by a senior monk in Ambepussa, between Kandy and Colombo. They carried 100 kgs of rice, in addition to lots of dry rations and a box of school supplies. There are fifteen boys staying there at present in this small institution which is completely dependent on donations. We had visited the orphanage several years ago, and this was our second donation of food this year. We also sent a ring-toss toy which we had brought from Japan. The boys had a delightful time learning how to play with it, and we hope they continue enjoying this safe and non-violent game.

A Donation to a Special School in Kandy

On September 15, as part of the celebration of the birthdays of Ken, Visakha, Lily, Mike, and Shehan, Mike and Ashoka delivered 100 kgs of rice and lots of dry rations as well as several fruit trees and pots of vegetable seedlings to the K/Senkadagala School of the Deaf & Blind. It is only in the last few months, since the beginning of the crisis, that the faculty of the school set up the agricultural project, not only to provide vegetables, but also to offer gardening training for the students. Buddhist Relief Mission was very pleased to contribute to this.

The economic crisis in Sri Lanka continues unabated. Due to shortages of many commodities, including food, medicine, and fuel, relief funds are still greatly needed.

Distribution of Food Relief in Jaffna

At the end of September, Lily chose to celebrate her birthday with a special distribution of food packets to families on the Jaffna Peninsula in the extreme north of Sri Lanka. She, her family, and several members of the Ayappa Society in Kandy took a three-day trip from Kandy to Jaffna, 270 kilometers away. In Kandy, they loaded their truck with hundreds of kilos of rice and other staples which are very expensive in the north. Other necessities were purchased from local merchants.

Many people in this region are still suffering from the devastation wrought during the thirty-year civil war. As she accepted the food, one woman wept, saying she had lost her husband, had nowhere to turn, and had hardly eaten for the past two days. Lily and her party were given warm hospitality from local Ayappa Society members. All the recipients expressed their great gratitude and sent many blessings to BRM donors.

Food inflation in Sri Lanka in August hit 93.7 percent. The situation throughout the country, with growing hunger, hardship, and unemployment is severe. Conditions are particularly dire in the north, but this is rarely reported. One noteworthy exception is a recent article in Al Jazeera with touching photos.

<<https://www.aljazeera.com/gallery/2022/9/19/photos-war-ravaged-sri-lankan-tamils-suffer-amid-economic-crisis>>

Nevertheless, many in the government have reacted strongly to the UN report that some citizens are reduced to one meal a day. These officials insist that there is no malnutrition in Sri Lanka, and one has even declared that one meal a day is actually a healthy way to live.

BRM will continue distributing food as long as we receive donations from our supporters.

Lunch Packets for Cancer Patients

At the end of September, the Kandy Cancer Society began distributing lunch packets to OPD patients who come to Kandy Hospital from out of town for cancer treatment. It is very difficult for these patients to arrange the time and to find a suitable place to have lunch during the hours they have to wait at the hospital for their treatment.

The Society distributes about fifty packets a day, and each packet costs about 360 rupees (US \$1.00). Thus, the daily expenditure is about 18,000 rupees (\$50). We invite you to join in this program. All donations, large and small, will be greatly appreciated and will offer much needed relief to the unfortunate cancer patients.

Thank you for your generosity.

Community Kitchen

Assembly of God - Kandy

In the current economic crisis in Sri Lanka, about 20% of the population are suffering from malnutrition. Inflation is skyrocketing, and there is a shortage of food available in markets and supermarkets. Further complicating the situation are the lack of cooking gas and the recently increased cost of electricity.

In response to this crisis, charitable organizations are setting up community kitchens throughout the country. In Kandy, the Assembly of God Church has established a community kitchen on Peradeniya Road, serving hot and nutritious meals to about 175 people, both children and adults, five days a week. The Church depends on donations for the ingredients.

One who respectfully offers food, provides the recipient with four things—life, beauty, happiness, and strength. Having given these four things, the donor also partakes of them, whether celestial or human. One who gives life, beauty, happiness, and strength will obtain long life and fame wherever he is reborn.

"Hunger is the Greatest Disease." –The Buddha

Inflation, and shortages of food, medicine, and fuel for cooking and transportation are worsening every day. Because of the misguided ban on chemical fertilizer, farmers are reporting crop failures of almost everything, including rice, vegetables, coconuts, and bananas. With many generous donations received, Buddhist Relief Mission is networking with many temples, NGOs, and like-hearted individuals to distribute food and medicine to destitute families, monasteries, nunneries, schools and orphanages. In our next distribution, we will include children in prison with incarcerated mothers and families in which the breadwinner is in prison. Here are some of the comments from the grateful recipients and the untiring volunteers:

"I had completely run out of dry rations. I was wondering what I could cook for the children tomorrow." –Matron of Narvodaya Boys Home for children with Down Syndrome

"Thank you for ordering so many parcels. I have not had much business, and I could not pay my staff." –a shopkeeper in Kandy

"We were able to deliver 800 kgs of food before we ran out of petrol." –Sylvia and Indrajith

"I delivered food to 4 poor families. One woman, a single parent with 2 kids, was almost in tears and transferred merit to donors from the bottom of her heart." –Ven. Mettajiva

Distributing Dry Rations to the Needy in Sri Lanka

With the increasing inflation, the need for supplementary food assistance grows ever greater. With the help of our network of friends and volunteers, Buddhist Relief Mission continues to distribute dry rations—including rice, potatoes, beans, flour, sugar, and cooking oil—to families and institutions.

As we offer the parcels, we share merit with our generous donors, with departed friends and relatives, and with all those who are celebrating birthdays and other special occasions.

There is no end in sight, and we will continue this project as long as donations permit.

Generosity brings happiness at every stage of its expression. We experience joy in forming the intention to be generous. We experience joy in the actual act of giving something. And we experience joy in remembering the fact that we have given.

Food Distribution in Nuwara Eliya, November 4, 2022

On November 4, the rain held off long enough for Lily, her family, and our friend Rajiv to accompany a group from the Ayappa Society to distribute food to workers on a tea estate in Nuwara Eliya. They carried parcels for one hundred families. Each family received a five-kilo bag of rice, a litre of cooking oil, and dry rations packed in a reusable cloth shopping bag. Thus, plastic pollution was kept at a minimum.

Unexpectedly, more than two hundred families were waiting for the distribution. As soon as possible, Buddhist Relief Mission will send parcels to the remaining families, and to other needy communities, as well.

Completing Distribution on the Tea Estate

On November 12, just two days before her cataract surgery, Lily and her family accompanied a delegation from the Ayappa Society in Kandy to deliver rice and dry rations from Buddhist Relief Mission to the remaining 150 families on the tea estate in Nuwara Eliya. The event was organized by the priests of the Hindu temple on the estate. As you can see from the smiling faces, everyone rejoiced in sharing merit with the donors from around the world.

Sadhu! Sadhu!! Sadhu!!! to all who made this joyous occasion possible! As we receive more donations, the distribution will continue.

According to a recent UNICEF report on Sri Lanka:

5.7 million people, including 2.3 million children, are in dire need of food support

15.7 percent of children under 5 are suffering from malnutrition.

children could face severe stunting and death because their families are starving

malnutrition in Sri Lanka is the second worst in South Asia and the tenth worst in the world

A New Donation of Food to Blue Rose Special School and Training Centre

Several months ago, Buddhist Relief Mission donated a parcel of dry rations to the family of each student of Blue Rose School in Kandy. Recently, we contacted the Principal, and she informed us that the school had begun serving lunches to the students. After receiving the list, we were able to provide two three-wheelers full of provisions. Here is an excerpt from the letter of appreciation we received:

Due to the Covid pandemic and the economic situation in Sri Lanka, in which parents began to find it difficult to provide lunch packets for students to bring to school, attendance dropped from 60 students per day to an average of only 20. One of our donors suggested providing a mid-day meal. Initially, this was a very big challenge as the food prices were skyrocketing and labour fees were high. We wondered whether the cooking could be handled by the Vocational Training Unit (VTU), and this has been successful. Since August, the VTU (2 staff members and 15 students) have been preparing simple but nutritious and healthy meals 3 days a week—Monday, Tuesday and Thursday. (Due to the high cost of transport we keep the school closed on Wednesdays.)

As a result of this mid-day meal program, we have seen very interesting changes in the school. Student attendance improved to an average of 40 students a day. Some parents got together and offered not only to provide food for Friday, but also to cook. The VTU students have received a little pocket money for their input into the program. Adult students feel valued and enjoy being part of everyone's meal preparation. Autistic students, who depended on specially prepared meals from home, enjoy the meals provided by the school. The VTU Students have increased their skills in preparing snacks and are encouraged to prepare their own snacks. Finally, many well-wishers have decided to celebrate their birthdays or special days by contributing to the midday meal.

When the program began the cost per day for a simple meal for all the students was Rs. 5000, but it has increased to Rs.12,500.

The hunger crisis in Sri Lanka is worsening every day. Buddhist Relief Mission is working through a growing network of volunteers to provide much-needed food and medicine to as many communities and institutions as our funds allow. Donations, large and small, are greatly appreciated. 100% of every donation goes to charity. There is no overhead. BRM is a 501(c)3 organization, and all USA donations are IRS tax-deductible.

Buddhist Relief Mission

Several years ago, a university student, Manjula, contacted Buddhist Relief Mission for assistance. The temple in his village, near Kurunegala, was badly in need of repairs. We visited the community and met the school principal, other local officials, and the monks of the temple. We were told that villagers would do all the work. Happily, we could provide the funds, and the job was successfully completed.

We kept in touch, off and on, and Manjula finished his studies. The community was affected by Covid, of course, and local plantations were severely impacted by the government's fertilizer ban and the economic collapse.

Last month, Manjula again took the initiative and asked whether BRM could provide food parcels for one hundred distressed families. Given fuel shortages and the high cost of transportation, we asked him to find out what was possible locally. He readily agreed, and we were able to transfer the funds. This is his report:

To ensure that the one hundred neediest families received the dry ration parcels you gave us the money for, I personally checked the list of recommended families which I had gotten from village community heads or Grama Sevaka. Then, to reduce the cost, we went to local wholesale shops who gave us low prices for buying rice and beans in bulk. Likewise, we went to a local coconut mill with recycled bottles to buy coconut oil. The cloth bags were purchased from a small sewing business. In this way, we were able to reduce the cost for each dry ration pack without losing any quality. Also, this helped to support our local businesses which are facing great difficulties in these hard times. We had free transportation support, thanks to friends and community members, who volunteered their own vehicles.

All the parcels were distributed in a remarkable ceremony in the community center. Manjula and his friends made sure we were able to attend the ceremony via ZOOM. It was extremely well-organized, and the distribution was beautifully managed. Congratulations and much thanks to Manjula and his friends!

Cooperation and Sharing Merit in Distribution of Food in Kandy

Tourist Police

Buddhist Relief Mission was happy to cooperate with Kandy Tourist Police in distributing parcels to twenty-six needy families in Kandy. We received this letter from the representative.

<https://www.paypal.com/donate/?hosted_button_id=E4PWEKXHBG55G>

Dear Buddhist Relief Mission,
The people of the Kandy Charity Project extend their heartfelt wishes. All the families are very grateful for your donation. May you and all your donors prosper and be happy and healthy.

Sincerely,
G. T. Indrajith

An acute economic crisis since early 2022 has caused severe food insecurity in Sri Lanka, and the situation is predicted to deteriorate between October 2022 and February 2023. An estimated 6.2 million people (28 per cent of the population) are moderately acute food insecure, while 66,000 people are severely acute food insecure. Two in five households (41.8 per cent) spend more than 75 per cent of their expenditures on purchasing food, leaving little to spend on health and education. Many families have exhausted their savings and are struggling due to crippling inflation. -From a UNICEF report in December 2022

Food Parcels for One Hundred Fifty Families in Monaragala

In celebration of the New Year and in memory of the President of the Ayappa Society of Kandy, who passed away in December, Buddhist Relief Mission donated parcels of dry rations to 150 families in a poor village in Monaragala, Uva, Sri Lanka. The parcels were distributed by members of the Ayappa Society on January 5.

Buddhist Relief Mission has worked closely with the Ayappa Society and other organizations in identifying needy families and distributing food parcels and medicine. The need is great throughout the country.

Donations are deeply appreciated.

About one in four households have adopted crisis or emergency livelihood coping strategies, such as selling productive assets, reducing essential healthcare expenses, and withdrawing children from school.

More and more Sri Lankans are eating less—and eating less nutritious food—as the island nation shrinks further into poverty. Experts say the unending economic crisis has sharply upped the poverty graph in a country once compared with Singapore.

One of the regions most severely affected is Monaragala in Uva Province.

Distribution of Dry Rations in Memory of Ven. Vimala

On February 3, 2023, Buddhist Relief Mission offered parcels of dry rations to 79 families in memory of Ven. Vimala, who died January 3 at the age of 79. 49 parcels were given out at the Kandy Tourist Police Station. Parcels were delivered to the homes of 30 families in a village in Halloluwa, across the river from Kandy. Here is the link to a short video showing the difficult trek to some of the houses.

<https://www.brelief.org/support/Halloluwa.mp4>

In Memory of Ven. Vimala, dry rations were also given to Ven. Nanda Theri, the Mother Teresa Center for the Handicapped, and an elders' home in Kandy.

The economic crisis is worsening every day, and more and more families face dire food insecurity. As long as donations are received, Buddhist Relief Mission will continue to distribute food parcels to the needy.

Providing Lunch for OPD Cancer Patients in Kandy

Kandy National Hospital treats many cancer patients every day. Patients from out of town often leave home without breakfast. Furthermore, many cannot afford the time or money to buy lunch while being treated. During chemotherapy treatment, it is important for patients to maintain a healthy diet. Treatment on an empty stomach may actually increase nausea and other side effects. The Kandy Cancer Society is distributing nutritious lunch packets to these OPD patients. This is particularly critical during the current economic crisis in Sri Lanka with skyrocketing inflation. This program requires only 15,000 rupees (US\$42) per day, but even this amount is beyond the Society's budget.

Buddhist Relief Mission is supporting this program and invites you to join, perhaps in honor of a loved one or a special occasion. All donations, large and small, will be greatly appreciated and will be of great benefit to vulnerable cancer patients.

Thank you for your generosity.

A Farm Project for Young Men at a Rehab Center

Buddhist Relief Mission is planning to support the reestablishment of an agricultural training program at a youth drug rehabilitation center near Kandy. This program was discontinued due to the pandemic. The center would like to restart the program, but, with the economic crisis, funding is necessary to purchase new tools and supplies. Under the supervision of a trained instructor, the forty-two residents will learn the fundamentals of gardening—preparing the soil, planting seeds, caring for the plants, and harvesting the fruit and vegetables. The exercise will enhance their rehab

program, and the skills they learn will be useful in their reentry into society. The produce will improve their diet, as well as provide a source of income for the center.

Please join us in sponsoring this worthwhile project. Your donation will help provide the tools, seeds, and seedlings for these young men to grow nutritious food and to develop their skills.

THINK GREEN! Supporting Agricultural Projects

On April 1, 2023, Menusha attended the opening ceremony of the cultivation project, funded by Buddhist Relief Mission (with support from many donors, including the Godwin Memorial Fund) at the Methasevana Drug Rehabilitation Center in Peradeniya. Menusha officially presented the tools, equipment, seeds, and plants the Center requested for the resuming project which had been suspended by the pandemic. The Center has ample grounds for cultivating fruit and vegetables to supplement the residents' diet. Through this project, which is part of their therapy, the residents will learn useful skills that will stand them in good stead in the future, when they leave the Center. The gardening work will not only improve their diets, but will also give them exercise, an opportunity to work together, and a sense of accomplishment.

Last year, Buddhist Relief Mission supported a similar project at Senkadagala School for the Deaf and Blind in Dodanwala. We will be delighted if these projects serve as models for many institutions, such as special schools, elders' homes, orphanages, and women's shelters, in the Kandy area and, indeed, throughout Sri Lanka. During the current economic crisis, with skyrocketing inflation, it is becoming increasingly difficult to secure nutritious food. Gardening projects offer a practical solution, as well as a teaching opportunity. We welcome donations toward the funding of many more such projects.

Offering More Relief During the Economic Crisis in Sri Lanka Over Sinhala and Tamil New Year, April 2023

During the New Year's holidays, we were able to distribute more parcels of dry rations. Donations included some to Ven. Nanda and residents of her village and a village in Halloluwa. We also provided snacks to children in Sunday school at Lighthouse Church. In celebration of Ramadan, we made donations to one mosque serving Iftar to worshipers and to another for dry rations to needy families. Our monthly donation for April at the Kandy Cancer Home coincided with New Year's, and we were happy to provide High Tea to the 30 residents who were unable to be with their families for the holidays.

Further donations will continue as long as our funds permit.

The Buddha said, "There are three kinds of people in the world. What three? One who is like a rainless cloud, one who rains locally, and one who rains everywhere.

"What kind of person is like a rainless cloud? A certain person never gives to anyone. He does not give food, drink, clothing, garlands, incense, medicine, lodging, or lamps to ascetics, to the poor, or to the needy. This kind of person is like a rainless cloud.

"What kind of person rains locally? A certain person gives to some but not to others. He gives food, drink, clothing, garlands, incense, medicine, lodging, and lamps only to some ascetics and to some of the poor and the needy, but not to others. This kind of person rains locally.

"What kind of person rains everywhere? A certain person gives to all. He gives food, drink, clothing, garlands, incense, medicine, lodging, and lamps to all ascetics and to the poor and the needy. This kind of person rains everywhere.

"These are the three kinds of people in the world." — Itivuttaka 75

Combating Food Insecurity During the Economic and Food Crisis in Sri Lanka

Food insecurity in Sri Lanka is increasing. We continue the important work of distributing dry rations to needy and vulnerable communities. In addition we are initiating and promoting gardening projects at schools and other institutions, for education and to produce healthy food. We have already provided tools, plants, and seeds to one school for the deaf and blind and a drug rehabilitation center. In our presentation to a special education school, the director replied that, although they were very interested in a gardening program, there was a problem on the campus with monkeys and other wild animals. We know that situation all too well, since our lot, garden, and adjacent hillside are frequented by troops of monkeys, porcupines, wild pigs, giant squirrels, and the occasional peacock. Sometimes, we hear air guns, firecrackers, and mysterious explosions, so we know that our neighbors are chasing away these visitors. On the other hand, we welcome them to our "jungle," but we protect our vegetable garden with "monkey cages"—monkeys on the outside and vegetables on the inside. We feel this would be a viable solution for many institutions, and we would like to help install them. They are quickly built, easy to construct, and inexpensive. We invite donors to share in this program and in providing food during this difficult time.

"Give a man some food, and you feed him for a day.

Teach him to farm, and you feed him for a lifetime." –Anonymous proverb

"He who plants a garden plants happiness." –Chinese proverb

Dry Rations to One Hundred Fifty Families in Kithulmulla

On May 13, Buddhist Relief Mission provided parcels of dry rations, and Lily, Ewen, and Chandani distributed them to 150 families in the village of Kithulmulla on a tea estate in Hanthana at the edge of Kandy. Tea-estate workers have been hit particularly hard by the economic crisis, and this food was much needed.

With support from our generous donors, Buddhist Relief Mission will continue to distribute food and medicine to needy families and institutions and to assist agricultural projects wherever we can.

May all beings be safe and happy!

Appeal for Assistance to a Drug Rehab Center

For several months Buddhist Relief Mission has been assisting Methasevana, the Youth Treatment and Rehabilitation Center (Central Province) of the National Dangerous Drugs Central Board of Sri Lanka, in Kandy. Yesterday we received notice that the two TV sets at the Center had been damaged by lightning. They were sent to Kandy Radio Engineers, but the cost of repair is beyond the Center's allotted budget.

Buddhist Relief Mission sent a truck with supplies for more than one hundred families in a small mountain village. Though it is only 60 kilometers from Kandy, the trip took almost four hours over a rough road. There is no bus service, and villagers must walk four kilometers through the jungle to a bus stop. We learned of the village from a classmate of Lily's grandson at their school in Kandy. He is now staying with Shehan in Kandy, but he told us that, previously, he had to walk for more than one hour to catch a bus. So many villagers have migrated looking for work that most of residents are senior citizens and youth. Many students live with only their grandparents.

In addition to parcels of dry rations, we donated school supplies to each student. The stationery items were in cotton bags, handmade and painted by Lily's daughter. Bonnie, visiting from the USA, took part in the distribution.

Thanks to generous donations, BRM was able to assist these needy villagers, and we will continue our program as long as possible. The need is great throughout the island. We realize that we are a very small organization, and our relief is only a drop in the bucket, but every drop relieves a little suffering, and we are grateful that we can help in this way.

Sharing Merit in Sri Lanka

On July 19, 2023, Jagath held a ceremony to mark the one-year anniversary of his father's death. On that occasion, Buddhist Relief Mission provided food and medicine for the monks and dry ration parcels for needy families in the village of Halloluwa. The dana was fittingly held in Mahapadassana, the ancient cave in which the great Swiss painter/monk, Ven. Sumedha, resided until his death in 2006. Jagath's grandfather, his father, and Jagath himself, all three, served successively as attendants to Ven. Sumedha. The cave sits on a wooded hillside at the top of a stone staircase of about one hundred steps. In offering this dana, Jagath and BRM shared merit with Jagath's father, Ven. Sumedha, and all generous donors.

Ven. Sumedha, who had survived cancer and had once nearly died in Peradeniya Hospital, was keenly aware of the pain and suffering of the critically ill. In his final years, he spent many hours in the ICU, comforting patients, not only with words, but with recordings he had collected of relaxing sounds of nature, as well as sacred texts of Buddhism, Christianity, Islam, and Hinduism. A small book of his teachings with some of his paintings was published after his death. The book is out-of-print, but, thanks to Ven. Anandajoti, it is still available online.

Click this book cover to access a site with more information about Ven. Sumedha and the complete book in both English and Sinhala.

Buddhist Relief Mission continues to distribute food and medicine to needy families during the current economic crisis in Sri Lanka. The program is dependent on the generous donations from our supporters.

Join Our Celebration – 2023

It's that time of year again. At the end of summer, we begin celebrating Ken's birthday (August), Visakha's birthday (September), and our wedding anniversary (October). This is the forty-eighth year of our marriage. There will be no parties, no cakes, nor any fireworks. We certainly don't need any presents.

We plan to uphold the noble tradition of giving. During this period, in honor of these three occasions, we will be offering food, medicine, and other items to several orphanages, special schools, an elders' homes, and a center for the handicapped. We extend this invitation to our friends to join in this joyous celebration.

A few months ago, Buddhist Relief Mission provided tools, seeds, seedlings and fertilizer to Methasevana Drug Rehabilitation Centre, near Kandy, to enable the residents to resume an agricultural project which had been discontinued due to the Pandemic. The forty-two young men began gardening enthusiastically, planting and caring for a wide variety of vegetable plants and fruit trees, and they are being richly rewarded. We have just received photos of their success. We rejoice in their achievement, encourage them to continue in their work, and thank all our donors who made this contribution possible.

During the economic crisis in Sri Lanka, Buddhist Relief Mission continues to support agricultural projects such as this as well as to provide food and medicine to needy families and various institutions. This work depends on donations from our generous supporters.

One who is known for his bounty and is compassionate toward all beings, distributes alms gladly. Having righteously gathered wealth, obtained by his own effort, he fully satisfies with food and drink whatever beings live in need. As a mighty cloud produces thunder and lightning and pours refreshing rain upon the earth, filling the streams and gullies, one of confidence provides food and drink to all. "Give! Give!" he cries, like thunder from the clouds. And in return rains down on him the merit from his gifts!

Our Celebration Has Begun!

In the first stage of the triple celebration of Ken's and Visakha's birthdays and their wedding anniversary (August - October), we are donating stuffed animals to the children at Tikiri Sevana Orphanage and Daya Nivasa Home of Care for the Disabled. Both centers will also receive dry rations, vegetables, medicine, cleaning supplies, and bed linen.

Tikiri Sevana will also receive diapers and nutritional supplement.

Daya Nivasa will receive crayons, one hundred pictures to color, and twenty seating mats handmade from recycled cloth.

This celebration is taking place during the Sri Lankan economic crisis in which many people are suffering hunger and deprivation. Please join us in providing food, medicine, and other necessities to needy families and children. As we celebrate, we share merit with all of our donors.

No milk, no eggs, small hope: fears rise for Sri Lanka's malnourished children

Last year's economic crash and political upheaval are being felt all over Sri Lanka as worsening nutrition levels take a toll on children's health.

Since independence from Britain in 1948, Sri Lanka has rolled out several welfare programmes to boost food security, but Abner Daniel, a nutrition expert at Unicef Sri Lanka says: "The progress made in recent decades seems to have now washed off."

The crumbling economy, poor agricultural planning and falling buying power have made 6 million people, nearly 30% of the country's population, food insecure. A survey by LimeAsia, a Colombo-based policy research institute, estimates that more than 4 million people have fallen into poverty in Sri Lanka since 2019, pushing the poverty rate up to 31%.

A Special Donation for Children

As part of our ongoing birthday/anniversary celebration, Buddhist Relief Mission donated school supplies and food to two schools for special education in Kandy, Blue Rose Special School (*left*) and Mahinda Special Education Model School (*right*).

During the economic crisis in Sri Lanka, it is the children who are at greatest risk. BRM will continue distributing food and other essentials as long as funds permit.

Offering Alms to Monks, Nuns, and Novices in Uncertain Times

During the economic crisis in Sri Lanka, many people are facing food insecurity. When they do not have enough to feed their families, it is difficult for them to take food to the temples. The monks, nuns, and novices in small temples are completely dependent on offerings from devotees. These members of the Sangha in the small, out-of-the way temples, even in popular tourist sites, such as Anuradhapura and Polonnaruwa, are often malnourished and lacking basic essentials.

Jagath Wijesiri is a tour guide, who has greatly assisted Buddhist Relief Mission in identifying needy families in and around his village near Kandy and in delivering food parcels to them. During his tours around Sri Lanka, he found many small, impoverished village temples where he has been able to offer parcels of dry rations, along with soap, mosquito repellent, vitamins, and personal items to the monks, nuns, and novices. His customers are very pleased to be a part of this meritorious work. BRM has been providing parcels and hopes to continue supporting Jagath's project. Your donations will make this possible.

The Buddha said, "A donation may be endowed with six factors—three factors of the donor and three factors of the recipients. What are those six factors?"

"Before giving, the donor is glad; while giving, the donor's mind is bright and clear; and after giving, the donor is gratified. These are the three factors of the donor.

"The recipients are free of passion or are practicing for the subduing of passion; they are free of aversion or practicing for the subduing of aversion; and they are free of delusion or practicing for the subduing of delusion. These are the three factors of the recipients."

Today, October 1, 2023, is World Children's Day. Buddhist Relief Mission is happy to announce that last month, we were able to donate food parcels and school supplies to a remote school of 32 children in Matale (*left*) and to 100 families in a village in Ragala (*right*). During the economic crisis, assistance is urgently needed, not only to relieve hunger, but also to allow students to continue their education. With rising inflation and government cutbacks, many people in Sri Lanka are suffering from food insecurity. BRM will continue to provide to help as much as we can. Your contributions are welcome and will ensure that our programs can continue.

In celebrating Ken's and Visakha's 48th wedding anniversary, Buddhist Relief Mission provided funds for Jagath to carry dry rations, medicine, and sanitary items to remote temples in the Cultural Triangle on his tours. BRM also made a substantial donation to Lady Blake Nunnery in Kandy. This famous nunnery, established in the early twentieth century, was the first *arama* in Sri Lanka founded by and for women.

On October 25, we offered dana to our students in Kandy, two Burmese monks and a nun and a Sri Lankan monk, and a Sri Lankan nun. Our friends, Paul from New Zealand and Mohan from the Kandy Cancer Society, joined the event.

As contributions come in from our generous donors, BRM will continue to provide food, medicine, and other essentials to members of the Sangha and to needy families during the ongoing economic crisis in Sri Lanka.

Donating Food and Medicine to the Needy

Buddhist Relief Mission provided funds for [Jagath](#) to deliver parcels of dry rations and medicine to malnourished members of the Sangha in small monasteries on one of his tours to Polonnaruwa and parcels of food to needy families in his village. This month, he will be going to Anuradhapura and will donate parcels to monasteries there.

BRM also contributed to Indrajith's fiftieth birthday celebration in which he donated parcels of food to twenty-five impoverished families in several villages around Kandy.

Every month, BRM delivers food and medicine to Ven. Nanda, an elderly bhikkhuni who stays in a small, remote hermitage between Kandy and Kurunegala.

As long as donations come in from our generous donors, Buddhist Relief Mission will continue our program of distributing food, medicine, and other essentials to those in need. The crisis in Sri Lanka continues unabated.

We extend heartfelt thanks to our supporters.

Hunger, Anger and Helplessness Stalk the Land

Our people are suffering and our children are starving. In fact, according to UNICEF, more than 5.7 million people, including 2.3 million children, require humanitarian assistance. The report adds Sri Lanka is among the top ten countries with the highest number of malnourished children, and the numbers are expected to rise further!

During and in the aftermath of the COVID-19 pandemic, the then Governor of the Central Bank pointed out that over 500,000 casual/temporary workers lost employment due to the lockdowns of that period. The financial crisis leading to the country's bankruptcy has ensured that a majority of these workers remain semi or unemployed.

The situation is truly frightening. (*Daily Mirror*, 4 November 2023)

"These are the five rewards of generosity. One is dear and appealing to people at large, one is admired by good people, one's good name is spread about, one does not stray from the rightful duties of the householder, and with the break-up of the body at death, one reappears in a good destination, in the heavenly worlds."

Supporting the Kandy Cancer Society

Last year, the Kandy Cancer Society began a program of distributing nutritious lunch packets to OPD patients receiving treatment at Kandy National Hospital. Patients from outlying districts often leave home without breakfast. Furthermore, many cannot afford the time or money to buy lunch while being treated. During chemotherapy treatment, it is important for patients to maintain a healthy diet. Treatment on an empty stomach may actually increase nausea and other side effects. Recently, due to a lack of funds, the Society had to suspend the program. A few days ago, with a grant from Buddhist Relief Mission, the distribution was resumed, but this program requires about 20,000 rupees (US\$65) per day. The Society intends to continue the program, but its success depends on private donations.

On the fifteenth of every month, Buddhist Relief Mission offers High Tea, medicine, and dry rations to the residents of the Kandy Cancer Home, run by the Society for patients from outlying areas who require prolonged treatment at the hospital. The mid-day snack includes homemade sandwiches, vegetable cutlets, and nutritious soup. Each month, merit is shared with recently departed friends and relatives, healing wishes are sent to those suffering from illness, congratulations are given to those celebrating special occasions, and gratitude is expressed to the donors.

Delivering Food Parcels to Families on a Tea Estate in Kandapola

On November 18, Buddhist Relief Mission delivered parcels of food to 125 families in Kandapola, a village on a tea estate near Nuwara Eliya. The delegation, consisting of Lily, her family, and several members of the Ayappa Society, left Kandy at five o'clock in the morning. The mountain road is quite treacherous, but the group arrived in Kandapola at about nine-thirty. After a brief ceremony at the Hindu temple, the parcels were distributed in the auditorium. As has been the pattern for the last few weeks, it began raining heavily in the late afternoon. On the return trip, in the pouring rain and the darkness, the van had to proceed very slowly. At one point, the road was blocked by large trees which had fallen, both in front of and behind the van. After about two hours, the police arrived and helped clear the way. The group reached Kandy about midnight.

This distribution was part of BRM's ongoing program of providing needy families and institutions with food, medicine, and other essentials during the economic crisis in Sri Lanka. The program depends on continued donations.

Sadhu! Sadhu!! Sadhu!!! for your generosity! Thank you!

Each family received 5 kilos of rice, a bottle of coconut oil, and a cloth bag containing

Buddhist Relief Mission Assistance Goes On

Recently, we found a plasticized wall map of Sri Lanka, which we had purchased 15 years ago. We offered it to the director of Blue Rose Special School, and she was very pleased. Then we found a hand-painted Chinese vase packed away in a closet. We wanted to give this to the students, as well, but it needed flowers, something permanent. Ashoka took the vase to an artificial flower shop and asked for an arrangement to match the vase. The result was stunning! What happy gifts for the students! That made our day! (Left)

November 25th was the birthday of the owner of the Tamil shop where we buy many of the food parcels for donation. He told his family and friends that, instead of having a party, he wanted to donate food to needy people. We contacted the Kandy Cancer Home and arranged the donation. That day, Mr. Raj packed generous quantities of dry rations, onions, potatoes, and garlic, and Ashoka delivered everything to the home. Everyone was happy! What a wonderful birthday! Wishing him many happy returns of the day! Sadhu! Sadhu!! Sadhu!!! (Right)

Last week, Ewen and Dennis visited Methasevana Youth Drug Rehabilitation Center, on behalf of Buddhist Relief Mission and Godwin Memorial Fund. They were very pleased to meet the staff, to talk with the residents, to view the vegetable gardens of the agricultural project we are sponsoring, and to discuss plans for future projects. They had a lovely day, and we look forward to future cooperation. (Left)

A few days ago, Amal introduced us to a monk who was collecting money to provide lunches and shoes to pupils of a village school. We were happy to make a contribution. The photos are a joy! BRM hopes to continue to support the monk's work. (Right)

We depend on our network of friends to find those in need of assistance. We are grateful to Ven. Mettajiva for his help in this regard. Often, the parcels we provide are shared by several families in a village. (Left)

Several weeks ago, our local pharmacist called and told us that he had a customer, a monk from Katugastota, who urgently needed medicine, which he could not afford, for a serious condition. We were delighted to cover the cost. A little later, the monk called from the pharmacy to recite anumodana. (Right)

Delivering Food and Holiday Cheer in Sri Lanka

In cooperation with several other organizations, Buddhist Relief Mission helped spread joy and good will to many families in the Kandy area during the holiday season at the end of 2023.

Dressed as Santa Claus, Indrajith donated parcels of food from Kandy Community Relief to thirty-five families.

Members of the Miracle Church distributed more than one hundred box lunches to individuals on streets of downtown Kandy.

Representing the Godwin Memorial Fund, Ewen presented shoes and other supplies to all the students of a primary school in Hanthana.

Sri Lankans struggling to buy food, says WFP

The Island, 2024/01/3

Nearly a half of Sri Lanka's households are adopting livelihood-based coping strategies to buy food, says a recent report published by the World Food Programme.

The WFP's 'Sri Lanka – Household Food Security Survey: Preliminary Findings, December 2023' says that 43 percent of households were adopting livelihood-based coping strategies to cope with the lack of adequate food. Borrowing money to buy food and purchasing food on credit were the most commonly adopted strategies, by 27 and 26 percent of households, respectively, says the report, adding that households remain vulnerable to future shocks and stresses.

Food to Tea-Estate Workers in Galaha

To celebrate the New Year, Buddhist Relief Mission distributed food packets to 60 needy families on a tea estate in Galaha. For the occasion, Lily led a group from the Ayappa Society to the village about 25 kilometers from Kandy. The last leg of the journey was through the jungle without a discernable road. Lily was told that no one ventures out at night for fear of wild animals.

Conditions for most estate workers are difficult. They live in row houses, with little privacy and minimal sanitation. The daily wage is only 950 rupees (\$3). Many estate schools are only primary level, and few students continue to high school. Only about 1% go to university.

Some of the pickers said they had so little money that they were having to skip meals and felt forced to send their children to work. 'If we work 22 or 23 days, because of all the cuts we only get about 15 or 16 days' worth of pay' - *The Guardian*, 23 May 2023

The situation throughout the country remains dire. Many families are dependent on food aid to survive. Buddhist Relief Mission is determined to continue helping as many as we can for as long as we can.

Donating Food in the Cultural Triangle

When [Jagath](#), Sri Lanka's most knowledgeable and reliable tour guide and tour operator, takes his clients to Anuradhapura and Polonnaruwa, he delivers parcels of much needed food and medicine to small monasteries and nunneries and impoverished families. Buddhist Relief Mission provides the funds for these donations. Without Jagath's assistance, we would never know about the need in these remote locations. Furthermore, because he is traveling there on business, there is no fee for transportation. His tour groups approve of and appreciate this humanitarian work. This year, with the inclement weather and the imposition of a new VAT (sales tax) of 18% on almost all commodities, inflation has soared, leaving poor people in desperation. Sharing the Joy of Giving

During the end of January and the beginning of February, in cooperation with good friends, Buddhist Relief Mission has been able to distribute food, medicine, school supplies, and other essentials to many monks, nuns, students, and families in Sri Lanka. On his tours, Jagath carried quite a number of parcels of supplies to monastics and families in the Cultural Triangle. We contributed to the Kandy Cancer Society's monthly donation to cancer-stricken parents and children and to a prize-giving ceremony at a Dhamma school in Warathenna. Haji, a local three-wheeler driver, alerted us to ten families in Kandy who urgently needed food. Ven. Mettajiva frequently informs us of monks and families who are in need of food and medicine which they cannot afford.

We hope that we never have to refuse these requests. We share merit with all of our donors. Let us all rejoice in these meritorious offerings.

May all beings be well, peaceful, and happy!

“The joy of giving is the highest form of pleasure.” – Anonymous

Climate experts warn that, between February and the summer, Sri Lanka will be subject to a serious drought that will put the country's food security at risk, at a time when people are already facing difficulties of the economic crisis.

Almost a third of families suffer from food insecurity, and an estimated 70% of the population have difficulty eating regularly and well.

One Hundred Patients at the Kandy Cancer Home

On the fifteenth of every month, Buddhist Relief Mission offers High Tea to the patients at the Kandy Cancer Home. This month there were a record 100 patients. After spending the morning with us making egg salad sandwiches, Stephanie, our SERVAS guest, accompanied Ashoka and Nimal to the home with the sandwiches, juice, Lily’s soup and cutlets, and many kilos of dry rations and Vitagen, a nutritional supplement. We are pleased that we can regularly provide the cancer patients with wholesome and nutritious food. Usually, the staff request that we not take photos of the patients, but one woman approached Stephanie and asked that she take a photo. She explained that she had completed her treatment, which proved successful, and that that was her last day at the Home. She was very grateful for the care she had received.

At each High Tea, before the patients take their meal they read the list of donors, those suffering illness, and departed friends. We invite our supporters to join, sending donations and names of those with whom they would like to share merit.

The Stark Reality of Food Insecurity

With ongoing economic turmoil and the effects of climate change, nearly one-third of households in Sri Lanka are grappling with food insecurity. The challenge is expected to exacerbate as conditions worsen. A diet with less diversity due to high food prices is making millions more vulnerable to micronutrient deficiencies. Approximately half of the Sri Lankan population is already experiencing some form of micronutrient deficiencies, highlighting the urgent need for solutions such as food fortification to help bridge this gap.

Offering Lunch to the Hungry in Downtown Kandy

Buddhist Relief Mission has provided funding for Miracle Church, which every Friday distributes hundreds of prepared lunches to the homeless and poor citizens, mostly the aged, on the streets of Kandy. Recently, the number of elderly citizens on the streets, hoping for food, has greatly increased. Periodically, particularly at festival-times, the authorities move poor people outside the downtown area so that they do not “disturb” tourists and visitors. Many of the needy are handicapped, and that makes the happiness of helping even greater!

The Buddha said: “If beings knew, as I know, the results of sharing gifts, they would not enjoy their use without sharing them with others, nor would the taint of stinginess obsess the heart and stay there. Even if it were their last morsel of food, they would not enjoy it, without sharing it, if there were anyone to receive it.”

The Homeless and the Elderly are Very Vulnerable

Sri Lanka is facing its worst economic crisis in 70 years. The country is experiencing exponential inflation, and the prices of consumer goods are going through the roof. In a one-month period, food inflation increased from 57.4% to a staggering 80.1%.

This situation has been compounded by a high dependence on imports for essential food, fuel and pharmaceutical items. Because of the collapsing economy, the supply of such goods has become very limited and extremely rationed.

Everyone, including older people, must wait long hours in uncomfortable conditions to obtain essentials like cooking gas, kerosene oil, fuel, and even the most basic food items.

Furthermore, hospitals can no longer obtain imported medical equipment and essential drugs, especially those meant for non-communicable diseases, which mostly affect people in their old age.

Dana at Our Home in Anniwatte, Kandy

On Friday, March 8, 2024, Buddhist Relief Mission held a *dana* for four Burmese students in the Kandy area, two monks and two nuns. Several supporters and friends who have helped with the distribution of food parcels to the Sangha and needy families joined in the celebration. It was a wonderful day with an inspiring Dhamma lesson; stimulating Dhamma discussion; moving chanting for sharing merit with departed relatives and friends, friends suffering from illness or affliction, and all of our donors; and wholesome fellowship. The menu was truly international—Sri Lankan, Indian, Burmese, Thai, Vietnamese, Cambodian, Japanese, Korean, American, and Continental.

We invite everyone to join in Buddhist Relief Mission's activities and projects.

Helping as Much and in as Many Ways as Possible

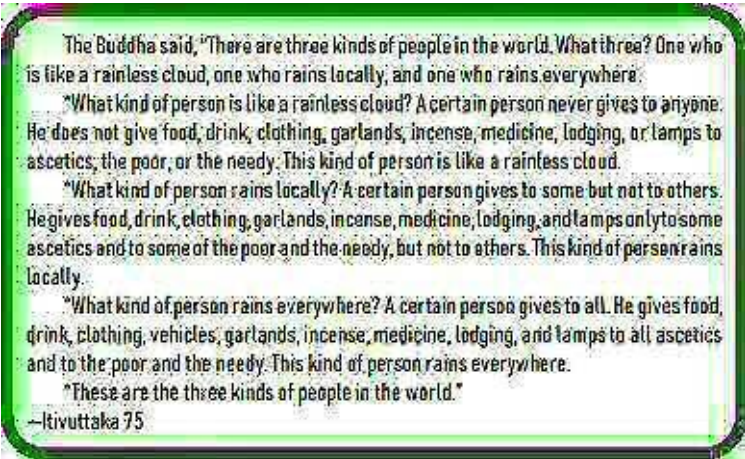

Recently, in response to our inquiry, our local doctor in Anniwatte informed us that families in his village near Kandy were in need of assistance. Buddhist Relief Mission was able to provide the twenty parcels of dry rations he requested.

In cooperation with Godwin Memorial Fund (GMF), we provided lunch packets for a gathering of the young men at Methasevana Drug Rehabilitation Center and their families at the campus of University of Peradeniya. The group visited the temple there and later enjoyed playing games on the campus lawn.

On the fifteenth of every month, also with GMF, we offer High Tea and dry rations to the residents of the Kandy Cancer Home. When we delivered the supplies this month, the Matron explained that she had just run out of food, and that our donation was very timely! The program of offering lunch packets to out-patients receiving chemotherapy treatment at Kandy National Hospital continues.

Next month, we will help the mother of a close friend celebrate her eightieth birthday at a local orphanage with an offering of dry rations, medicine, and stuffed toys and art supplies a donor recently brought from China.

How wonderful that these and other projects are possible through the cooperation of a network of friends and organizaions. It is proof that we are stronger together and that friendship doubles up our power!

Your donations will help Buddhist Relief Mission provide food, medicine, and other essentials to individuals, families, students, monastics, and institutions in Sri Lanka during the continuing economic crisis. Thank you for your generous support! Sadhu! Sadhu!! Sadhu!!!

Celebrating the New Year with Medicine and Dry Rations

On one of his tours in the South, Jagath was able to distribute medicine and dry rations to the Sangha and needy families near Yala National Park. Jagath purchases the supplies at a local shop with funds from Buddhist Relief Mission.

Ramesh, our local pharmacist introduced us to the representative of a pharmaceutical company which had a New Year's promotion, and we were able to purchase, at a huge discount, large quantities of Vitamin B complex, which we will donate, as needed, in the coming weeks.

We are grateful to have the help and cooperation of such compassionate friends in carrying out our charity work.

May this merit we have achieved be for our relatives who have passed away. May they be happy. May all gods share our merit. Long may they protect the Buddha Sasana for the welfare of the world.

According to a World Bank report in early April, due to high inflation, losses in wages, income and employment, and a drop in remittances, almost three-fourths of all households have been forced to reduce their meals and almost one-fourth are facing severe food insecurity. 17.5 percent have limited their education expenses (including on stationery and uniforms), and most have reduced their health treatment.

One day last week, a man came to our gate and asked for a food parcel for a friend who had injured his leg and was unable to work. We were happy to provide the food and to wish his friend a speedy recovery.

At the request of the resident monk, Lily and her family distributed fifteen parcels of dry rations to needy families at a New Year's celebration at a village temple in Kadugannawa.

BRM also participated in the New Year's celebration of the Kandy Community Group and the weekly distribution of lunch packets on the streets of Kandy by the Miracle Church.

Happy New Year All Over Asia!

On April 8, Buddhist Relief Mission joined Indrajith's mother, Premavathi, in celebrating her 80th birthday by donating dry rations, medicine, stuffed animals, and nearly new clothes from Green Life Boutique, to the children at Tikiri Sevana Orphanage in Kandy. Happy Birthday to her!

Offering Support to Senior Citizens

At the end of April, Buddhist Relief Mission carried donations to the historic Home for the Elders of Kandy Friend in Need Society in Ampitiya. (*See below*) This facility, which we have helped in the past, now provides shelter for 20 women, as well as 20 men. Struggling with rampant inflation and reduced government funding, many institutions are finding it increasingly difficult to operate within their established budgets. The staff are dependent on such special donations to continue to provide services and nutritious meals. For BRM members, it was a joy to experience the pleasant atmosphere of the Home and to interact with the grateful residents.

Your donations will help Buddhist Relief Mission provide food, medicine, and other essentials to individuals, families, students, monastics, and institutions in Sri Lanka during the continuing economic crisis. Thank you for your generous support! Sadhu! Sadhu!! Sadhu!!!

Buddhist Relief Mission has just received a request from the Kandy Branch of the Sri Lanka Cancer Society for two urgently needed ECG (Electrocardiogram) machines. These simple, but efficient and inexpensive, machines, manufactured in China, can be procured locally. As you can see from the quotation, the Society needs US\$1223. We would like to provide as much of this amount as possible. We call upon our donors for assistance. We guarantee that 100% of your donations will be transferred to the Cancer Society. For our US donors, let us remind you that, because BRM is a 501(c) 3 organization, your donations are tax deductible. Your support will save many lives and will promote the health and safety of many cancer patients. Thank you for your generosity!

a supply of basic foods and supplementary medicines for them. Last month, there were 87 residents in the home.

We are heartened to be able to report that our recent appeal for funds for ECG machines for the Sri Lanka Cancer Society, Kandy Branch, raised, in a very short time, more than enough money to purchase one of the two devices requested. A bow of gratitude to our donors!

In May, **BRM** donated dry rations and medicine to the Home for the Handicapped, in Kandy, managed by Missionaries of Charity, a Mother Teresa organization. Currently, there are 97 residents there. Like all institutions in Sri Lanka, the home is struggling to cope with rising costs of essentials.

BRM provided funds for the residents of Methasevana Drug Rehabilitation Centre to purchase the supplies to make lanterns to decorate the premises for Vesak. The young men thoroughly enjoyed the opportunity to be creative and imaginative in constructing the decorations for the celebration.

These are just some of the institutions to which **BRM** offers regular support.

Help for Tea Estate Workers

During this economic crisis, tea estate workers are among the most vulnerable. As you can see from the box on the right, their situation is dire. **BRM** regularly provides dry rations to villages on the estates. A village is typically 100 families.

In that most of the workers are Hindu, these donations are coordinated through the Ayappa Society of Kandy.

Tea estate facts and statistics:

- Workers are housed in quarters described as unfit for human habitation.
- 57% of households have no safe drinking water; 21% have no access to sanitary toilet facilities.
- 64.6% of households are among the poorest 40% in the country.
- Wage is 1000 rupees per day, depending on the number of kilograms of tea picked.
- Monthly take-home salary is about 24,000 rupees (US\$80).
- It costs over 100,000 rupees per month for a family of four to have two nutritious meals a day. Even if both parents work, they cannot provide enough food.
- 36% of children are stunted, and 36% are underweight.
- The President announced a daily wage increase to 1700 rupees from May 2024, **but . . .**
- The Planters' Association of Ceylon condemned the hike as arbitrary, reckless, and a unilateral decision.
- The average annual income of an Estate Manager is about US\$200,000!

particular risk are the elderly and the children. Most of the retired and disabled are on fixed incomes, which have been severely affected by the high rate of inflation. It is estimated that 40% of the children under 5 are malnourished, and half of all families have been forced to reduce their food intake. The crisis is exacerbated by the climate crisis, which has drastically disrupted rice and vegetable harvests. Another impoverished group is the tea and rubber plantation workers, which we have assisted with several distributions. We also support agricultural projects for schools and other institutions. We are happy that we have been able to assist the vulnerable and often neglected indigenous Vedda community. We hope that, in this time of need, whenever we are asked to help, we never have to say, "No."

The Kandy Cancer Home, High Tea and Dry Rations

The Kandy Cancer Home, located near Kandy National Hospital, provides board and lodging for patients from out of town who need extended cancer treatment at the hospital. The Home is dependent on private donations for its operation.

On the fifteenth of each month, Buddhist Relief Mission serves High Tea to the residents and the staff. The number of residents varies each month. Last month, there were 92, the highest we have served, but, in the past, it has been as low as 45. In addition to High Tea—egg salad sandwiches, vegetable cutlets, soup, yoghurt, bananas, tea, and juice—we donate a large supply of dry rations—potatoes, onions, garlic, chick peas, mung beans, coconuts, cooking oil, curry powder, chillie powder, turmeric, and chutney—and various kinds of medicine the matron requests. The average monthly expense for these donations is about 60,000 rupees (US\$200).

For each donation, we submit a list, which is read by the moderator before partaking of High Tea. The list includes the names of departed loved ones with whom merit is shared in making the donation, of those to whom are sent wishes for good health and recovery from illness, of the donors, and of those preparing the food. After the names are read, the patients recite a blessing, each according to their own faith.

We invite all our friends to join in this worthy project, by making donations and by submitting names of those with whom to share merit or to wish for good health.

Thank you very much for your support and cooperation.

Working Together to Feed the Hungry in Sri Lanka

Buddhist Relief Mission continues to cooperate in Kandy with Miracle House Church to provide lunches to hungry individuals, and with tour-operator Jagath, three-wheeler-driver Haji, and others to provide parcels of dry rations to needy families during the crisis in Sri Lanka. In spite of news of economic reforms and an IMF loan, the situation for most citizens has not improved. The prices of almost everything are still out of reach for many.

Continued donations will enable BRM to broaden our program and to resume distribution of assistance to estate workers and vulnerable institutions.

Spreading Joy and Sharing Merit

As we continue the celebration of our birthdays and those of our friends, we will be making donations to an orphanage, an elders' home, and a home for the handicapped, all three in Kandy.

BRM offers High Tea at the Kandy Cancer Home on the 15th of every month. Please join us!

We have just received an appeal from a monk in Anuradhapura for funds to repair the roof of one of the buildings in his monastery which was torn off recently by high winds. The monk, Ven. Paññakitti, has organized classes for the children in his village and is teaching English and computer skills. Last year, we were able to donate two of our old computers, and he is using them in his program. We would like to help repair his roof as well.

It Is Better to Give than to Receive

As we move into September, we continue to celebrate our birthdays and those of our friends, including Lily, who has been with us since we first arrived in Sri Lanka.

BRM offers High Tea at the Kandy Cancer Home on the 15th of every month. Please join us!

Last month, Lily accompanied our neighbors to offer vegetarian pasta we had prepared to forty elderly monks at a monastery in Kurunegala.

Include the names of someone celebrating a happy occasion or recovering from an illness, or of departed loved ones with whom to share merit.

This month, our celebration will include a donation to assist international refugees who are stranded in Sri Lanka. With the imminent closure of the UNHCR office in Colombo, they will be left virtually unprotected.

Tikiri Sevana, an Orphanage

In the hills between Kandy and Peradeniya is a lovely government-run orphanage with about 20 children under five years old. We have visited the orphanage several times and made donations to the children. In October, we were happy to make arrangements again to deliver food, including rice, bananas, beans, pulses, coconuts, milk powder, tea, yoghurt, spices, and nutritional supplement, as well as diapers, soap, and laundry detergent. We also bought more than 20 stuffed animals, which we will donate this month, along with 12 bottles of vitamin syrup.

On the fifteenth of every month, Buddhist Relief Misison offers high tea to the patients at this facility, operated by Sri Lanka Cancer Society, Kandy Branch. The home serves as a hostel for out-of town patients to stay during their extended treatment, often lasting three months or more. For our offering, Lily prepares soup and vegetable cutlets. Usually, several friends join us in making egg-salad sandwiches around our dining table.

Kandy Cancer Home

We also serve bananas, yoghurt, juice, and tea. Last month there were 85 residents, but the number has been as high as 100. Along with the High Tea, we also donate a supply of dry rations, cleaning supplies, and whatever medicine the matron requests. The atmosphere in the home is always extremely caring, congenial, and positive, and the facility is entirely dependent on private donations.

Haji Rafi, a three-wheeler driver, occasionally informs us of families he knows who are in need of food, and we are happy to arrange the requisite number of parcels for him to deliver.

The Buddha said: "If beings knew, as I know, the results of sharing gifts, they would not enjoy their use without sharing them with others, nor would the taint of stinginess obsess the heart and stay there. Even if it were their last morsel of food, they would not enjoy it, without sharing it, if there were anyone to receive it." —Itivuttaka 26

Methasevana Drug Rehabilitation Center

Buddhist Relief Mission and Godwin Memorial Fund provided assistance for the Children's Day Program at this center for young men. Every full-moon day, the residents meditate and take precepts. Last month, so many temples were holding Kathina ceremonies that the counselor could not find a monk to facilitate the puja. He called us and asked whether we could help. With only one day to spare and with the help of one of our Burmese students, we were able to find a Sinhalese monk who was available and willing to help. It was a very auspicious day!

The Veddas, “Forest Dwellers,” are Sri Lanka’s indigenous people. Once a proud and independent people, they are now struggling to preserve their culture. Only a few of the older generation still maintain their traditions.

In Vedda communities, cooperation and togetherness is important.

Game and food are shared, no matter how difficult the hunt was. There are gender roles, but men and women are treated as equals.

1947 was a turning point for the Vedda. The government opened a primary school in Dambana. Forced to follow the government curriculum, the children no longer spent much time learning the traditional culture and wisdom. With deforestation, families turned to fishing and chena, “slash and burn,” cultivation. Traditionally, gathering honey was their main source of income, but that is no longer viable. One method of preserving meat was to stuff it in the hollow of a tree, which was then filled with honey and sealed.

Traditionally, childbirth took place at home, and the older women assisted the new mother. There were many rituals, as well as strict diets and natural medications for the mother and child. Now, birth occurs in a hospital, which is, of course, safer, but the wisdom gained over generations is being lost.

The Vedda worship “Yakkha,” deities, which are their ancestors. The chief deity is a female named Kuveni. When a member of the community dies, it is believed that he or she joins the Yakkha relatives. Before the Vedda established villages, they lived in caves, and, when a member of the household passed away, the body was covered with dried leaves and left in the cave dwelling. All the other occupants moved to a new place, and the old cave was not reused for many years.

As the Vedda are assimilated into Sri Lankan society, many are moving to the cities to seek employment. Television, radio, computers, and mobile phones are also greatly weakening the traditional culture. Furthermore, tourists often visit the villages and treat the occupants as objects of attraction.

For many years, the Vedda have been trying to resist these pernicious influences, and, recently, they requested that any new constitution include the protection of their rights to live in the jungle, to hunt game, and to conduct traditional agriculture, while safeguarding the ecosystem. They would also like to see an end to illegal housing in forest areas and to be recognized as a separate minority community.

Buddhist Relief Mission – November 2024

Homeless in Kandy

Responding to the continuing economic crisis, every Friday, Miracle House Church prepares about two hundred box lunches and distributes them to poor and hungry people on the streets of downtown Kandy. Buddhist Relief Mission is happy to cooperate with this project.

Rehabilitation Center

A few days ago, we received a call from Methasevana Drug Rehabilitation Center in Kandy. The counselor explained that the regular food supplier for the center had been seriously affected by the recent torrential rain and floods and was unable to deliver any supplies. The counselor asked whether Buddhist Relief Mission could provide vegetarian box lunches the following day for the thirty-two young men in residence.

We are grateful to our donors that we are able to respond immediately to emergency requests such as this.

Rohingya Refugees in Bangladesh

There are about one million Rohingya refugees from Myanmar in Bangladesh. They rely entirely on humanitarian assistance for protection, food, water, shelter, and health. They live in temporary shelters in a highly congested camp setting in Cox's Bazar, and on the island of Bhasan Char. With Bangladesh ranking third in the world among the countries most hit by natural disasters, these refugees are extremely vulnerable to weather-related hazards, such as cyclones, flooding, and landslides. BRM recently sent donations to provide food for orphans and solar panels for one of the schools.

Refugees in Sri Lanka

Two years ago the Sri Lanka Navy rescued more than one hundred Rohingya refugees and brought them to Colombo, where they are still languishing, with little

hope for resettlement. In January of this year, they staged a protest against the closure of the UNHCR Office in Colombo, but in vain. Since Sri Lanka has not ratified the 1951 Refugee Convention, these refugees, along with hundreds of others from various countries have been left with no legal status and face imminent statelessness. They have great difficulty finding housing and receiving basic health care. Furthermore, the children are not eligible to attend public schools. Assistance is being coordinated by the National Fisheries Association. BRM is happy to offer some help and is researching the possibility of a physicians' association providing medical care.

Prof. David Loy and His Wife Visit Kandy

David Loy, a retired professor of Buddhist and comparative philosophy, a prolific writer, and a Zen teacher, and his wife, Linda, also a retired teacher, arrived in Kandy on January 6, after attending the International Network of Engaged Buddhists (INEB) conference in Chennai, and stayed in Anniwatte for six days. On January 7, we held a dana for nine monks, some of whom came from Colombo to meet the professor, and three nuns. Several friends and neighbors joined us for the auspicious occasion.

Before lunch, David spent about an hour with the monks and nuns discussing some of the ideas in his latest book, *Ecodharma: Buddhist Teachings for the Ecological Crisis*. In an evening session, attended by a group of activists from Kandy, he presented his concept of the "Ecosattva," focusing on the urgency for each of us to recognize our intimate relationship, our oneness, with the environment and to make a commitment to work for its protection and preservation. (Four photos below)

The next morning, David presented a lecture at The Postgraduate Institute of Humanities and Social Sciences, University of Peradeniya, on "Is the ecological crisis also a spiritual crisis?," one of the chapters of *Ecodharma*. (Two photos at the bottom of the page)

To learn more about Professor Loy's work and his many books on engaged Buddhism and ecology, please visit his website, <<https://www.davidloy.org/>>

During their stay in India, David and Linda had collected a lot of toiletries from various hotels. They asked whether we might be able to find a use for them. A few days later, completely by coincidence, we learned that the Seventh Day Adventist Church in Kandy was offering free dental exams. They were delighted to receive the toothbrushes and toothpaste to distribute to the patients. How serendipitous! After all, another name for Sri Lanka is *Serendib*!

Every donation to Buddhist Relief Mission provides relief to refugees, hungry families in Sri Lanka, needy students, cancer patients, the handicapped, or members of the Sangha. Thank you for your generous support. Sadhu! Sadhu!! Sadhu!!!

On Sunday, January 12, Professor Loy joined our ESL class with three students in person and several more via ZOOM. He led a lively discussion of some of the ideas from his book. This was particularly interesting for our students because, in recent weeks, we have been reading some of David's writing on engaged Buddhism, war, nonviolence, and the ecological crisis.

"People usually consider walking on water or in thin air a miracle. But I think the real miracle is not to walk either on water or in thin air, but to walk on earth. Every day we are engaged in a miracle which we don't even recognize: a blue sky, white clouds, green leaves, the black, curious eyes of a child—our own two eyes. All is a miracle." —Thich Nhat Hanh, *Miracle of Mindfulness*

David and some of our neighbors helped us make sandwiches for High Tea at the Kandy Cancer Home. Hunger is the Greatest Disease

Our dear friend, Jagath, is the owner and chief driver of Jagath Tours, the most reliable tour agency we know in Sri Lanka. His grandfather, his father, and he were stewards for Ven. Sumedha, the Swiss monk and artist who lived for many years in Manapadassana Cave in Halloluwa, Kandy. When Jagath takes tourists around the island, particularly to the Cultural Triangle, Buddhist Relief Mission frequently gives him money so that he can buy food and medicine locally for members of the Sangha and needy families that we could not otherwise reach. On a recent tour, he was able to provide, in addition to dry rations, several boxes of much needed blood glucose test strips to diabetic nuns in Anuradhapura. We are very grateful for Jagath's assistance with our relief project, and his customers are delighted that they can be part of the donation.

GENEROSITY BRINGS HAPPINESS AT EVERY STAGE OF ITS EXPRESSION. WE EXPERIENCE JOY IN FORMING THE INTENTION TO BE GENEROUS. WE EXPERIENCE JOY IN THE ACTUAL ACT OF GIVING SOMETHING. AND WE EXPERIENCE JOY IN REMEMBERING THE FACT THAT WE HAVE GIVEN.

THE BUDDHA SAID: "IF BEINGS KNEW, AS I KNOW, THE RESULTS OF SHARING GIFTS, THEY WOULD NOT ENJOY THEIR USE WITHOUT SHARING THEM WITH OTHERS, NOR WOULD THE TAIN OF STINGINESS OBSESS THE HEART AND STAY THERE. EVEN IF IT WERE THEIR LAST MORSEL OF FOOD, THEY WOULD NOT ENJOY IT, WITHOUT SHARING IT, IF THERE WERE ANYONE TO RECEIVE IT."

—ITIVUTTAKA 26

Every Friday, the Miracle House Church in Kandy prepares box lunches of curry and rice and distributes them to poor people on the streets of Kandy, many of whom are homeless. We are pleased that Buddhist Relief Mission has been able contribute to this project several times. Seeing the happy faces of the people as they receive the lunch packets is truly a joy. We express a hearty "Well done!" to the pastor and members of the church who devote their time carrying out this work each week.

Providing Assistance to the Needy in Sri Lanka

Education at government schools in Sri Lanka is free for all students. However, peripheral expenses for items, such as shoes, a uniform, a bookbag (backpack), notebooks, pens, pencils, drawing instruments, etc, some of which are required, can be costly and out of reach for many families. Buddhist Relief Mission has received requests from two organizations—the Ayappa Society of Kandy and the Sri Lanka Cancer Society, Kandy Branch—for assistance in providing school supplies to needy students. We would like to help both. Here is more information about the two requests.

ம.மா/கொத்/குயின்ஸ்பெரி த.வி கேட்டபுலா
உ.ம/கொத்/கிளிச்செலி ஊர்
/KOT/ QUEENSBERRY T.V KATABOOLA

There are 400 students in this school on the Queensberry Tea Estate—195 in grades 1-5 and 205 in grades 6-11. The wages the tea estate workers receive are barely enough for food for the family. There is little or nothing left over for school supplies. Without assistance, the children cannot attend the school and benefit from the education which would offer them a brighter future. The Ayappa Society of Kandy would like to provide each student with a set of basic stationery items.

SRI LANKA CANCER SOCIETY - KANDY BRANCH

ශ්‍රී ලංකා පිළිබඳ සමාජය - කන්දා ප්‍රාන්ත ශාඛාව
CANCER HOME NO. 11, Hantana Road, Kandy

The Sri Lanka Cancer Society - Kandy Branch offers an annual scholarship for needed school supplies to 195 students from low-income families in which a member, usually a parent, is suffering from cancer or kidney disease. Due to the expense of the required treatment, these pupils, also, cannot afford all the supplies they need.

A third request has come from the Sri Lanka Cancer Society - Kandy Branch. This is to help purchase a medium-sized refrigerator for a center for the handicapped in southern Sri Lanka. This center was begun by a family who offered to help a young disabled student. Before long, they were asked to take in additional patients, and the Meth Sewa Foundation has grown to 115 residents. None of them can bathe themselves, and most have to be fed. With donations from outside, the foundation has been able to erect a new building to accommodate the residents. The Cancer Society has donated many tables and chairs, as well as wheelchairs. For about six years, the Cancer Society has also periodically provided medical services. Recently, the director requested a refrigerator so that he could sometimes offer the residents ice cream. Click or copy and paste the link below to view a short video of the center.

Providing Food and School Supplies to the Needy in Sri Lanka February 2025

As often as possible, we distribute parcels of dry rations to those in need around Sri Lanka. Sometimes, as in the accompanying photos, [Jagath](#) finds needy families on his tours around the island. Other times, our contacts—monks, doctors, three-wheeler drivers, and others—inform us of urgent cases in and around Kandy, and we provide the required assistance. Once in a while, we also receive requests for help with medication or medical tests. We do as much as we can, and try never to say, “No.” Buddhist Relief Mission has a special relationship with several institutions, such as the Kandy Cancer Home, Blue Rose Special School, and Methasevana Youth Drug Rehabilitation Center, and we provide regular assistance to them.

On February 26, Mahasivarathri (Shiva's birthday), Lily and her family, representing Buddhist Relief Mission, accompanied members of the Ayappa Society of Kandy to distribute gift bags to all 400 students of the school on the Queensberry Tea Estate, near Nuwara Eliya. Each student from Grade 1 to 11 received a large exercise book, pens, pencils, colors, and drawing instruments. One girl, on opening her cloth bag, was overjoyed when she found a compass for drawing circles. She had never seen such an instrument, let alone owned one. In appreciation for the much-needed supplies, the school faculty held a special ceremony for the donors, and two high school students performed an Indian dance ([Link to the video below](#)). At the conclusion of the ceremony, the Ayappa Society presented an award to Lily for her outstanding service to the social programs of the Society. Of course, Lily is also indispensable to Buddhist Relief Mission.

Emergency Relief for Victims of Flooding in Myanmar from Typhoon Yagi

AFP

A massive typhoon has wreaked havoc in Myanmar (Burma), already suffering from a civil war, with 3.4 million displaced people, and still reeling from the military coup d'état of 2021.

In Myanmar, already devastated by war and disintegrating under a brutal and desperate dictatorship, Typhoon Yagi, one of the strongest in many years, has inflicted misery upon misery upon the population, not only in remote villages, but in the cities, as well, including the capital, Naypyidaw. In mid-September, heavy rains from the typhoon brought flooding to many parts of Myanmar, affecting more than 630,000 people, and killing two hundred thirty-six. 65,000 houses have been destroyed. Floodwaters four meters (15 feet) high surged through the hill town of Kalaw in Shan State, and at Inle Lake, a famous tourist site, flood levels rose to the second story of houses built on stilts above the water. In some areas, whole villages were submerged. About a third of the country's 55 million people require humanitarian assistance. There is an urgent need for food, drinking water, medicine, clothes, and shelter, but relief is hampered by damaged roads and bridges, access restrictions, and security risks. The military junta has called for international assistance, but potential donors may recall that the government refused to cooperate with aid agencies after Typhoon Nargis in 2008.

Buddhist Relief Mission is working with an association of Myanmar monks and nuns who have secure connections in the country and are able to deliver life-saving relief supplies to those most in need. Your donations are deeply appreciated and will relieve the suffering of many.

Myanmar Flood Relief

In mid-September, Typhoon Yagi swept through Southeast Asia wreaking havoc in several countries. Particularly hard hit was Myanmar, already suffering from a long-standing civil war and oppression by a brutal military regime. Buddhist Relief Mission's appeal for aid raised more than \$3000, which was immediately transferred to the monks in Sri Lanka coordinating relief efforts. Here is their report.

October 7, 2024

The relief efforts are ongoing, and our team is distributing essential supplies to several flooded areas. Yesterday, the team visited Inle Lake in Shan State, and tomorrow they will proceed to another state.

The situation in Myanmar remains unpredictable. The military is forcing flood victims to return to their homes for a census, but many people have lost their homes entirely. Some have lost family members, while others have lost their farm animals, essential for livelihood and survival. In such a dire situation, the military is providing little to no assistance and is solely focused on the upcoming election.

The recovery process for the people affected by the flooding will take many months. Therefore, it is crucial to continue our relief work.

Your compassion and generous support have significantly improved the lives of many families. For this, we extend our deepest gratitude to you and all the donors who have contributed to this meritorious project.

Your efforts are deeply appreciated.

Water and Education for Life to Villages and Refugees

After the devastating flood in Myanmar last year, caused by typhoon Yagi, Buddhist Relief Mission made an appeal for emergency food relief and for the installation of a water-purification station in a Shan village. The response was overwhelming. We are pleased to report that the station has been completed and is producing pure and clean drinking water for the villagers. All the equipment is powered by solar panels which produce clean and green electricity. We hope that more such stations can be built, not only in Myanmar, but in poor villages and refugee camps around the world, wherever clean drinking water, so essential for a healthy life, is lacking.

There are more than one million Rohingya refugees from Myanmar in crowded camps in Cox's Bazar, Bangladesh. Recently, Buddhist Relief Mission sent a donation for installing a handpump for water. We also sent funds for food and school supplies for some of the orphan children and to cover the hospital fees for a teacher who was critically ill. We are pleased to learn that the teacher has completely recovered and has returned to the school. This month, we hope to send a donation to help provide children with *Iftar*, food for breaking the fast of Ramadan, which continues until the end of March.

Your donations will help Buddhist Relief Mission to carry out programs such as these, as well as to provide food, medicine, and other essentials to families, students, schools, monasteries, hospitals, and other institutions in Sri Lanka during this economic crisis. Thank you for your generous support!

Cleaning the Mahaveli River – A Community Initiative – 1

In January 2025, Buddhist Relief Mission invited Prof. David Loy, author of *Ecodharma: Buddhist Teachings for the Ecological Crisis*, to Kandy. After one of his sessions, some of the participants discussed how they could become activists for change. They decided to tackle the problem of pollution clogging the Mahaveli river near the Lewella bridge. On Saturday, March 1, more than 70 people worked together to accomplish this remarkable feat. Here are photos and a description of their marvelous work and the beautiful result.

PARTICIPATING ORGANIZATIONS

Kandy Municipal Council
Kandy District Council
Regional Public Health Inspector
Mahaveli Authority
Environmental Police
Clean Kandy Force
Green Team
Colombo International School
The Wildlife Society of Trinity college
Buddhist Relief Mission
Dhammaviveka Arama
Lewella Community

The volunteers and workers began assembling at the bridge at 9 AM. At first, six paid workers pushed the floating island of pollution debris onto the river bank. While these workers cleared away the bamboo into which the debris had become entangled, creating the ugly island, the volunteers, under the supervision of Clean Kandy Force, the volunteers sorted the waste and collected it in garbage bags, which totaled 196. The Kandy Municipal Council provided a truck, but it had to make two trips to transport all the bags to the Gohagoda Solid Waste Management Centre. As much of the waste as possible is being recycled.

The categories of the waste collected were:

- * Plastic
- * Glass
- * Polythene
- * Metals
- * Rubber, styrofoam, and fabric

The volunteers recorded the brands of much of the plastic waste, so that the manufacturers can be notified. The group intends to launch a campaign to encourage these firms to reduce the production of much of this polluting plastic. Sadly, the debris included many rubber slippers, tyres, and damaged vehicle parts discarded by a nearby three-wheeler shop. The group will report their findings to local shops and try to discourage such wanton pollution. It is also important to educate the public in the proper disposal of plastic products and packaging.

Clean Kandy Force will establish a team to present awareness sessions at community centers and local schools. The team will also set up a monitoring system to control river pollution.

The government authorities have expressed their support and commitment to help in the realization of all of these projects.

At 10:30, the group took a break and gathered at Dhammaviveka Arama, a nearby nunnery, for tea and cake. At 12:30, everyone enjoyed plastic-free vegetarian box lunches provided by Buddhist Relief Mission. During these breaks, the volunteers and workers enjoyed sharing their impressions and making future plans. The cleanup was completed at 2:30, but the members of Clean Kandy Force remained at the site until all the debris had been carried away.

Your donations will help Buddhist Relief Mission to carry out programs such as these, as well as to provide food, medicine, and other essentials to families, students, schools, monasteries, hospitals, and other institutions in Sri Lanka during this economic crisis. Rohingya refugees demonstrating in Colombo, appealing for assistance after the closure of the UNHCR Office in Sri Lanka.

For more than five years, National Fisheries Solidarity Organization (NAFSO), has been assisting refugees in Negombo. These asylum seekers are mostly from Palestine, Syria, Pakistan, and Afghanistan. Some of them, however, are Rohingya refugees fleeing from genocide in Myanmar who were picked up by the Sri Lankan Navy. Most of the refugees are Muslim, and they face a great deal of discrimination. It has been very difficult for them to find suitable housing, and, not being legal residents, the children are not allowed to attend public schools. It is also impossible for them to find adequate employment to support themselves.

Last year, UNHCR, began phasing out operations in Sri Lanka, and the withdrawal has left all the refugees without any official support. NAFSO needs help to continue assisting this extremely vulnerable community.

Buddhist Relief Mission joins NAFSO in making an appeal for assistance. In addition to food, as described in the poster on the left, NAFSO is seeking 30 used bicycles. NAFSO also needs two million rupees to enroll 40 students in private schools.

Everything is needed, and any donation, e.g., clothes, school supplies, household items, would be useful.

All donations made here to Buddhist Relief Mission will be receipted and promptly forwarded to NAFSO.

Massive Earthquakes in Myanmar – Relief Assistance Urgently Needed

On March 28, 2025, a massive 7.7 earthquake occurred in Myanmar. The epicenter was in Sagaing, 22 km from Mandalay, the ancient royal capital. There are reports that as much as 80 per cent of that city was severely damaged. Currently the death toll has reached more than 1600, but it is impossible to be sure at this time, because many people are still buried beneath the rubble, and communication with rural areas is very limited. Two days later, an aftershock of 5.1 occurred north of Mandalay, but the damage from that tremor has not yet been reported. This took place, of course, in the midst of the civil war, which has ravaged the country for more than forty years. In spite of the suffering of the citizenry from the devastation from the earthquakes, the military government has not stopped its relentless bombing of villages and towns.

Assistance of all kinds—food, water, medicine, shelter, and more—is urgently needed. Buddhist Relief Mission has a secure route through the Sangha to provide relief directly to the most seriously affected communities without discrimination. Your donations will greatly relieve the suffering of many!

Relief Aid to Victims of the Massive Earthquake in Myanmar

The death toll from the magnitude 7.7 earthquake in Myanmar on March 28 has exceeded 3600. More than 5300 religious buildings were damaged, and many were completely destroyed. The most extensive damage took place in Mandalay, the ancient royal capital. There was destruction on every street, and one report estimates that 80% of the city was damaged.

The outpouring of compassion and love for the Myanmar (Burmese) people is tremendous. The response from the international community and religious institutions in Sri Lanka has been overwhelming. Buddhist Relief Mission has channeled the donations we have received—more than US\$10,000—through Sangha Karuna Association, organized by the Burmese monks and nuns studying in Sri Lanka. Their funds have been used to purchase medical supplies, to provide treatment for injured victims, to distribute safe drinking water and food and to repair or reconstruct damaged buildings, including monasteries, nunneries, mosques, and Hindu temples.

It is estimated that, throughout the country three and a half million people were affected by the earthquake. The needs remain great, and recovery will take a long time. Buddhist Relief Mission intends to continue supporting the relief efforts. We extend the greatest gratitude to our many donors.

Sadhu! Sadhu!! Sadhu!!!

In spite of the immense suffering caused by the earthquake, the military government has shown no mercy, and has continued its relentless oppression of villagers and ethnic minorities. Just since the earthquake, the government has carried out nine bombing attacks in Mandalay District alone.

Your donations will allow Buddhist Relief Mission to continue providing much-needed assistance to victims of the earthquake and for reconstruction and recovery.

Buddhist Relief Mission Activities, April 2025

One day, our local pharmacist called and asked whether we could donate a quad cane to an elderly man who had come to his shop. We were glad to oblige.

In early April, a relative of Ashoka's younger daughter's fiancé fell out of a tree and broke his spine. He urgently needed a back brace, and we were happy to be able to purchase one for him. May he recover soon!

Conquer anger with kindness; conquer evil with righteousness; conquer greed with generosity; conquer falsehood with truth. —Dhammpada 223

The father of one of the residents at Methasevana Rehab Center was receiving cancer treatment. We donated nutritional supplement to strengthen his resistance.

On April 14, we celebrated Asian New Year's Day with a dana welcoming Ven. Nandobatha on his first visit to Sri Lanka. There were six other Sangha members, including Ven. Janaka, who will become abbot of a new temple in Osaka, and Ven. Manitha, who has been invited to a Sri Lankan temple in NY.

BRM donated toward a New Year's party at Meth Sevana Home for the Handicapped. In addition to dry rations, medicine, and traditional sweets, each resident received new clothing. The staff declared that this was the best party the center had ever held.

To celebrate New Year's, Jagath delivered 10 parcels of dry rations from BRM to poor families in his village in Halloluwa. He also was able to carry several boxes of glucose test strips to diabetic monks and nuns on his latest tour.

Each full-moon day, BRM provides special box lunches to the residents of Methasevana Drug Rehab Center for their meditation program.

On the fifteenth of every month, Buddhist Relief Mission offers High Tea (sandwiches, vegetable cutlets, soup, yoghurt, bananas, juice, and tea) to the residents of the Kandy Cancer Home. In April, the date coincided with the Home's New Year's celebration in which the residents performed delightful songs and dances. Along with High Tea, we also provide vegetables and dry rations, as well as a large supply of much-needed vitamins, medicines, and nutritional supplement.

Buddhist Relief Mission has just learned that there are 114 Rohingya refugees in Panadura, some of whom have been in Sri Lanka for as long as seven years. Sri Lanka does not recognize refugee status, and with the closure of the UNHCR office in Colombo, they have lost the allowance they had been receiving. Several families, unable to find adequate employment (Any employment is illegal.), cannot afford rent and have become homeless. Because the children are not eligible to attend public schools, one of the refugees is teaching as much as he can. Starting in May, we will include these refugees in our program.

The response to our appeal for relief assistance after the devastating earthquake in Myanmar was overwhelming and is still coming in. The monks with whom we are working are delivering food, water, medicine, clothing, money for reconstruction, and much more. We have learned that some of the funds we donated were used for medical treatment, particularly for a three-year old girl in Mandalay who needed an emergency heart operation.

The Rohingya have been fleeing from oppression in Arakan State, Myanmar, since the 1970s, but, with the genocide which began in 2017, the exodus has become massive. In one camp in Cox's Bazar, Bangladesh, the largest in the world, there are more than one million refugees.

Buddhist Relief Mission has been involved with Burma (Myanmar) since 1983, and has recently sent several donations to these refugees to provide care for the orphans, medical treatment, food, school supplies, a water pump, solar panels, etc. We hope to continue supporting this vulnerable community as long as we can.

Myanmar Earthquake Relief Work Continues

Myanmar is still recovering from the devastating earthquake of March 28, 2025. The cities most severely hit were Sagaing and Mandalay, but the damage and hardships are widespread..

A hotel in Sagaing

An apartment complex in Mandalay

Buddhist Relief Mission continues providing funds for food, water, clothing, medical care, and reconstruction, distributed by a secure network of monks, nuns, and devotees. Sangha Karuna Association is determined to continue its relief work, assisting the most needy, without discrimination, as long as possible. Much is left to be done, and recovery will take a very long time.

Divine Abidings

Having compared oneself with others, one should practice loving-kindness towards all beings by realizing that everyone desires happiness.
May I be free from sorrow and always be happy. May those who desire my welfare, those who are indifferent towards me, and those who hate me also be happy.
May all beings who live in this vicinity and those who live in other kingdoms in this world-system be happy.
May all beings living in every world-system and each element of life within such a system be happy and achieve the highest bliss.
Likewise, women, men, the noble and ignoble ones, gods, humans, those in woeful states, and those living in the ten directions—may all these beings be happy.
May all those who are in pain, in trouble, facing hardship and suffering find relief. May their troubles be over. May they find happiness.
May all those who are well, successful, healthy, and prosperous maintain themselves happily.
All beings are the owners of their kamma, heirs of their kamma, born of their kamma, related to their kamma, and abide supported by their kamma. Whatever kamma they do, for good or for evil, to that they will fall heir.

The earthquake happened on top of a brutal conflict and multiple forms of suffering of the Myanmar people. Before the earthquake, Myanmar was already the most vulnerable country in the region. Nearly half of Myanmar's population was living below the poverty line. The earthquake has intensified a polycrisis, pushing people's negative resilience to the brink.

The coup four years ago, especially, and decades of political turbulence disrupted disaster governance. Ongoing conflict diverted attention and resources away from hazard mitigation. Communities already displaced by conflict now face further trauma and risk. People's ability to prepare was constrained by economic hardship, insecurity and fear.

The bombing continues.

Recent Buddhist Relief Mission Activities

Ven Nanda is an elderly bhikkhuni who is staying in a remote hermitage on a former tea estate. The nearby residents are devoted to her as a teacher, but the village is too small to support her needs. Buddhist Relief Mission often invites her to dana and regularly provides her with dry rations and medicine.

For Vesak, Buddhist Relief Mission assisted Jagath in his plan to organize a “dansala” at his home, offering rice and curry to residents and visitors in his village in Halloluwa. He was pleased that more than one thousand two hundred people accepted his generous hospitality. His family served one hundred fifty kilos of rice!

–Mohammed Ali

On the 15th of every month, BRM offers High Tea to the residents of the Kandy Cancer Home. In May, Amila and Ewen helped make egg salad sandwiches. In cooperation with Godwin Memorial Fund, we also provide dry rations and medicine.

BRM is happy to report that we received more than \$1000 to help Ven. Ariyawantha stabilize his monastery in Assam against landslides during the monsoon. Work is underway, and we hope that the monastery will be safe. Sadhu to all donors!

Compassion is characterized as promoting the removal of others' suffering. Its function is not enduring the suffering of others. It is manifested as kindness. Its proximate cause is seeing helplessness in those overwhelmed by suffering. It succeeds when it makes cruelty subside, and it fails when it gives rise to sorrow. –Visuddhimagga

There are more than one hundred Rohingya refugees from Myanmar in Panadura, near Colombo. With the recent closure of the Sri Lanka UNHCR office and the discontinuation of a regular allowance, they subsist in an extremely vulnerable situation. We donated a computer and hope to be able to offer regular assistance. We also assist the Rohingya refugees in Cox's Bazar with funds for education and food. There are more than one million refugees in Bangladesh, fleeing from genocide in Myanmar, and some have been there since 1991.

Our friend, Manjula, recently alerted us to a rural school in Mahawa dry zone, and we donated notebooks, pens, and pencils in a sturdy cloth bag to each pupil. We were not able to attend the ceremony, but seeing the delightful photos of the happy children and the grateful teachers fills our hearts with joy.
